- A good father leaves good memories because you were safe and cared for.
- A bad father perpetuates their dysfunction upon their family for generations.
- Those that walk in the Light of God, who do what is holy, right, good, and true, are those who live as a part of God's family.
- What you do says more about your spiritual state than anything else.
- God made us His children. John says that is God's love in action!
- John says if we persist in a life of darkness, we don't know Jesus and we've not accepted God as our spiritual father.
- The Greek word "diablos" is translated as slanderous, enemy, adversary, devil.
- In John 8:44 Jesus calls the Devil the father of lies.
